

Educational Research in Medical Sciences Journal

Approved by Committee of Medical Journals of the Ministry of Health and Medical Education as Scientific and Research Journal.

<http://journals.kums.ac.ir/ojs/index.php/EduRMedS>

- To address the role of the educational research in dentistry and enhancing the social and community-based dental health programs, we wish to publish a special issue including novel research articles in this area. We welcome original research, short communication and letter to editor papers to promote this research topic.

Manuscripts should be submitted no later than December 10, 2013.

Submit your manuscript online at

<http://journals.kums.ac.ir/ojs/index.php/EduRMedS>

You can also send an article via the following email: erms@kums.ac.ir
